<ul style="list-style-type: none"> - Ensure attendee contact details available to the event organiser and the Department of Health and Human Services (DHHS) to facilitate contact tracing if required - Where applicable and practicable, link ticket information to a seating/location map, categorised by row or section. 	<i>database, QR code also use</i>	
Attendee contact details must be retained for 28 days after the event, after which, information should be destroyed, unless there is another statutory requirement for retention.	Yes	

Attendee management	Implemented	Not applicable
General		
<p>Prior to the event, event organisers must communicate the following public health messages to attendees:</p> <ul style="list-style-type: none"> • Each attendee is asked to do a symptom self-assessment prior to leaving home and not attend if they are unwell or have been instructed to isolate or quarantine. • Attendees must maintain at least 1.5m physical distance between those from other groups at all times. • To minimise movement, attendees must stay within their allocated spaces or seats where practical. • Requirements for face covering, observe cough etiquette and personal hygiene measures. <p>A reminder of public health measures must be included in the ticketing sales process, visible on the ticket or as an email reminder.</p>	<i>Prior to the event, these points will be noted on our website, we also have the option to email competitors.</i>	
<p>During the event, regularly to reinforce public health messages – use broadcast messages, signage, and workers/volunteers to communicate this information with attendees.</p>	<i>Announcements will be made at the start of the event, signage will be displayed at the event along with automatic sanitiser stations etc.</i>	
<p>Where possible establish multiple zones within your event area to limit interaction between groups of attendees. You may consider assigning dedicated facilities e.g. allocated bathrooms to a specific zone.</p>	<i>We have multiple bathroom areas, competitors will be directed to use nearest facilities</i>	
Fixed seated areas (e.g. grandstands)		
<p>Ensure seating is clearly labelled to enable seating allocation. Groups who booked tickets together can sit together but they must be spaced at least 1.5m from other groups.</p>		N/A

Attendee management	Implemented	Not applicable
Where seating is not numbered, clearly mark rows and seats that are to be left vacant.	<i>Seating will be spaced in accordance with current restrictions</i>	
Non-fixed seated areas (e.g. grassed areas)		
There must be visual cues to facilitate physical distancing, this includes: <ul style="list-style-type: none"> - Ground marking or barriers allocating space to groups (i.e. their allocated 'picnic' area) – with at least 1.5m between areas allocated to separate groups - Signage requirements as set out in the Restricted Activity Directions - Dedicated wide walkways at least 2m wide - Ground/wall marking of 1.5m spacing where queuing may occur 		
Bathrooms, retail and food and drink vendor areas		
Use visual cues to facilitate physical distancing: <ul style="list-style-type: none"> - Ground/wall marking of 1.5m spacing where queuing may occur (e.g. outside bathrooms, in service lines) - Signage requirements as set out in the Restricted Activity Directions - Indicate direction of travel on walkways with a preference for one-way flow, where practical. 	<i>Signage will be displayed in all areas keeping 1.5m distance, food, bar and registration areas will be clearly marked IN and OUT and cordoned off with bunting to reduce crowding</i>	
Access to and from the venue		
Implement strategies to avoid crowding on public transport and at stops/stations. Where feasible, ensure there are adequate parking options for car-based travel.	<i>Adequate parking is provided.</i>	
Where an event could attract attendees, who do not have a ticket, the organiser must use a gated venue with designated points of entry and exit.	<i>This is a pre sold event with a competitor limit, only competitors with a ticket can attend</i>	
Establish multiple entry and exit points to avoid queuing and ensure smooth attendee flow into the venue. Where multiple entry and exit points cannot be established, encourage staggered entry/ exit to avoid queuing; this could be done as part of pre-event communication.		N/A
Implement strategies to limit the potential for gathering near the venue or at entrances/exits. Encourage attendees to disperse from the event at its conclusion.		N/A
Environmental and personal hygiene		
Environmental measures including cleaning		
Undertake pre-event cleaning of communal facilities and high touch surfaces. Develop and implement a cleaning schedule to ensure frequent cleaning and disinfection of high touch surfaces and bathroom facilities.	<i>Touch point will be cleaned on a regular basis</i>	

Environmental and personal hygiene	Implemented	Not applicable
At minimum, high touch surfaces must be cleaned at least twice per day and between groups in accordance with DHHS's cleaning and disinfection guidelines . Additional cleaning of visibly soiled surfaces must occur as required.	As above	
Personal hygiene		
Establish hygiene stations (with hand sanitiser) at entrances and throughout the venue to encourage hand hygiene of workers and attendees.	Signage, automatic sanitiser stations combined with pump bottles of sanitiser will be available for all competitors and volunteers.	
In prominent locations, display posters demonstrating personal hygiene and hand washing practices.	Yes	
Communal facilities to be regularly cleaned		
Ensure toilets are in working condition with running water for hand basins, soap and disposable hand towels/dryers.	Yes	
Ensure enough toilets are available to avoid queuing. If queuing is likely, organiser must ensure there is physical distancing.	Signage will be displayed on toilet/shower facilities	
Designated smoking areas must enable physical distancing of 1.5 meters	Yes	

Workers, vendors and contractors	Implemented	Not applicable
